# The Chimes

1959

Once more the ringing of the chimes in Lawson's Tower marks the graduation of a class from Scituate High School, the Class of 1959. With this announcement of each year's graduation comes our yearbook, "The Chimes," our pictorial story of the year we have spent at Scituate High School. As we look back, perhaps many years from now, we shall fondly recall all our experiences here--our work and study together, our social activities, and our participation in sports.

As the chimes continue to ring out for the many years to come, may our life at Scituate High School continue to influence and enrich our lives.

Student Council officers for the year 1958-1959 were Paul Scott, president; Francis Dwyer, vice president; Susan Doherty, secretary; and Peter Chamberlin, treasurer. Mr. Crapser was the advisor.

This year's main project was to promote a better relationship between the faculty and the student body. Other projects included the sale of coke in the high school. The council also aided the Key Club with jacket awards.

Three delegates and three representatives attended the fall convention of the Southeastern Body of Student Councils at East Bridgewater High School. Delegates and representatives also attended the spring convention at Canton High School.

This was the second year that Scituate High School has been a member of the National Honor Society. The officers for 1958-1959 were Jean Gunn, president; Eric Turner, vice president; Sandra Bongarzone, secretary; Jan Smith, treasurer; and Mrs. Coleman, advisor.

In February a formal induction of new senior members took place in the library with Susan Doherty, Johanna Barrie, Jan Smith, and Judy Kestila delivering speeches on scholarship, leadership, service, and character. Mrs. Sides was the chief speaker.

In May there was an informal induction of juniors and additional seniors who had met the scholastic requirements of the organizations.

## *Library Club*

The Library Club was organized in September under the direction of Miss Gile with Wendy Lou Dennis as president; Joan Holleman, vice president; Penny Corcoran, secretary; and Sally Rolfe, treasurer. Meetings were held after school on the first Wednesday of each month to plan ways of making money for new books and library pins. For this purpose, food sales were held in the cafeteria after school to accommodate students and teachers who had to remain late.

At Christmas, the club decorated a small tree and contributed presents for a needy family. Scrapbooks for children were also sent to the South Shore Hospital.

The Library Club was invited to the Hingham High School for a Christmas party and to the Quincy High School for a Valentine's party.

## *Future Teachers' Club*

The Future Teachers' Club, under the direction of Mrs. Hamilton, continues as one of the most active clubs in the school.

The officers for 1958-1959 were Sally Buckley, president; Leslie Schair, vice president; Eleanor Buckley, secretary; and Marion Murphy, treasurer.

One of our first projects was a luncheon to welcome new teachers to Scituate High School. Later, six girls from Leslie College joined us in a luncheon and presented a stimulating panel discussion on practice teaching. In the spring, the club visited Leslie College in return.

At one meeting, Mr. Joseph Driscoll, principal of Wampanatuck School, spoke to our members. We visited this school several times during the year.

A record hop was held in March to raise money for a twenty-five dollar scholarship to be given to a boy or girl planning to be a teacher.

## Key Club

Key Club officers for this year were Bruce Sunnerburg, president; Fred Dauphinee, vice president; Paul Scott, secretary; and Robert Murray, treasurer. Mr. Gibbons was the advisor.

This year, the Key Club undertook the ambitious project of producing the play, "The Caine Mutiny Court Martial" to purchase senior jackets. This was the first time an all-male cast has performed at Scituate High School.

The Key Club plans its activities and services with the goal of helping to make Scituate High a better school. It co-operates with Mr. Stewart and the student body to foster good school spirit.

## *Band*

The Scituate High School Band were very active this year. They played for several football games, including the Thanksgiving Day game, and presented a concert in February and another in the spring.

For members of both the band and the orchestra there are many opportunities to participate in musical groups from all over Massachusetts and New England. Students from Scituate have competed at the South Eastern Massachusetts School Band Masters' Association, the New England Music Festival, the New England Solo and Ensemble Festival, and S. E. Mass. Auditions Festival.

The band would like to pay tribute to not only the valuable players that will be lost when the strains of "Pomp and Circumstance" are heard drifting out from the gym, but also to those Junior High School players who will take their places next year.

## Football

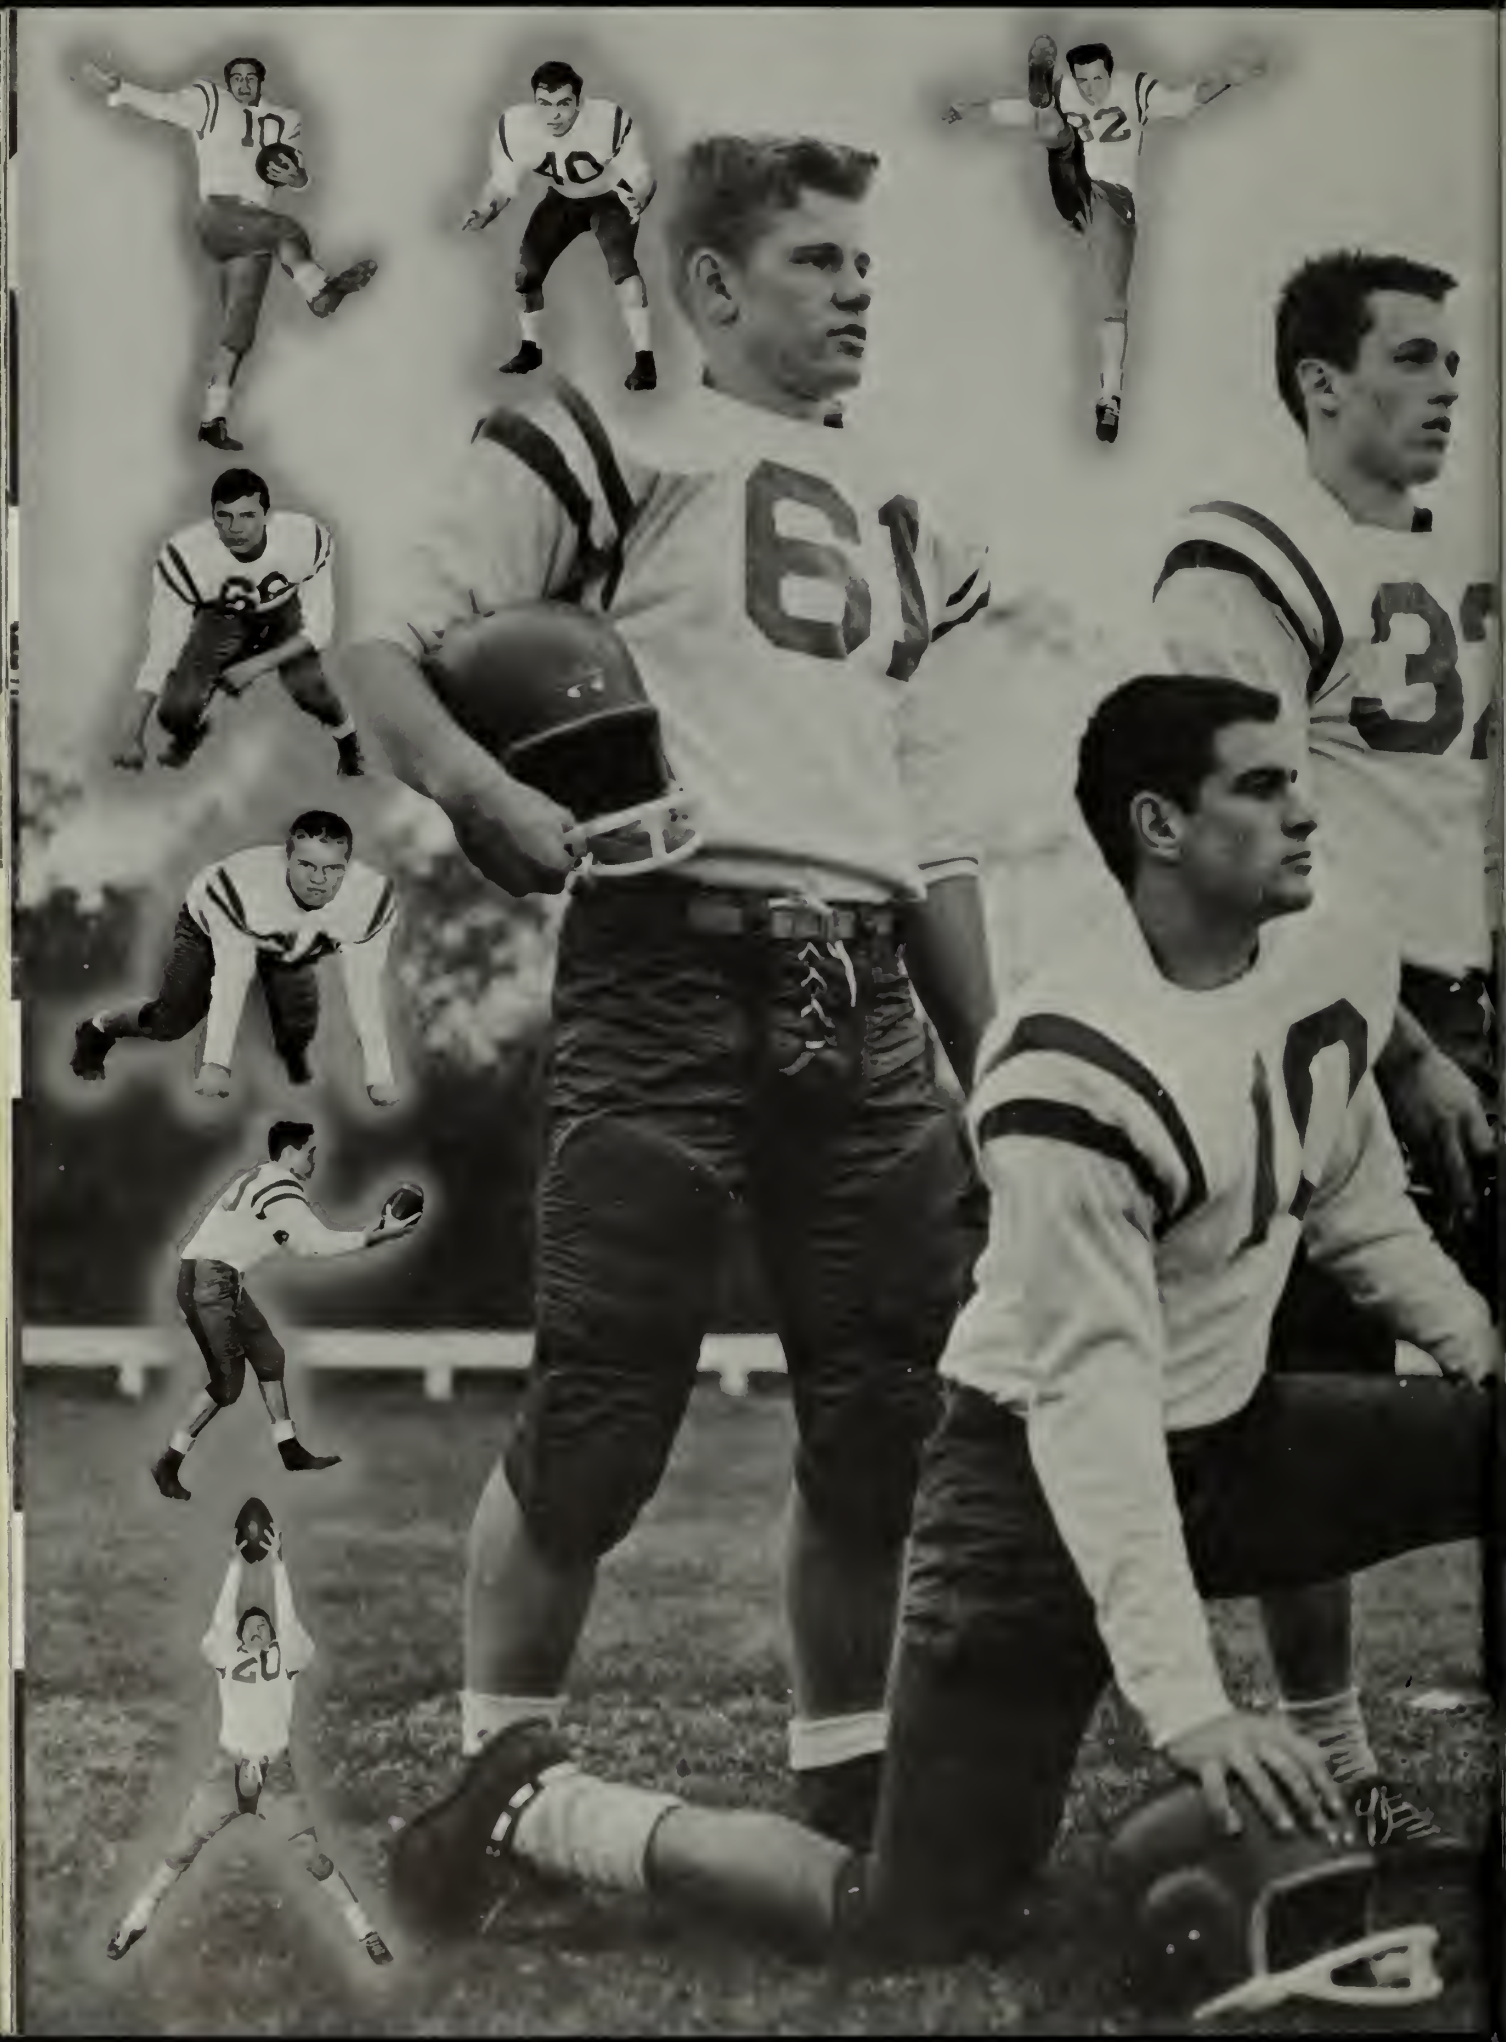

Though the record of the 1958 football season was not impressive, the team's spirit was high throughout. Mr. Soccorso, our new coach, was ably assisted by Coach Keenan in introducing to the Sailors the single wing offense, a new formation. The boys worked hard to perfect it, and their efforts were rewarded, as they concluded their season with three straight victories.

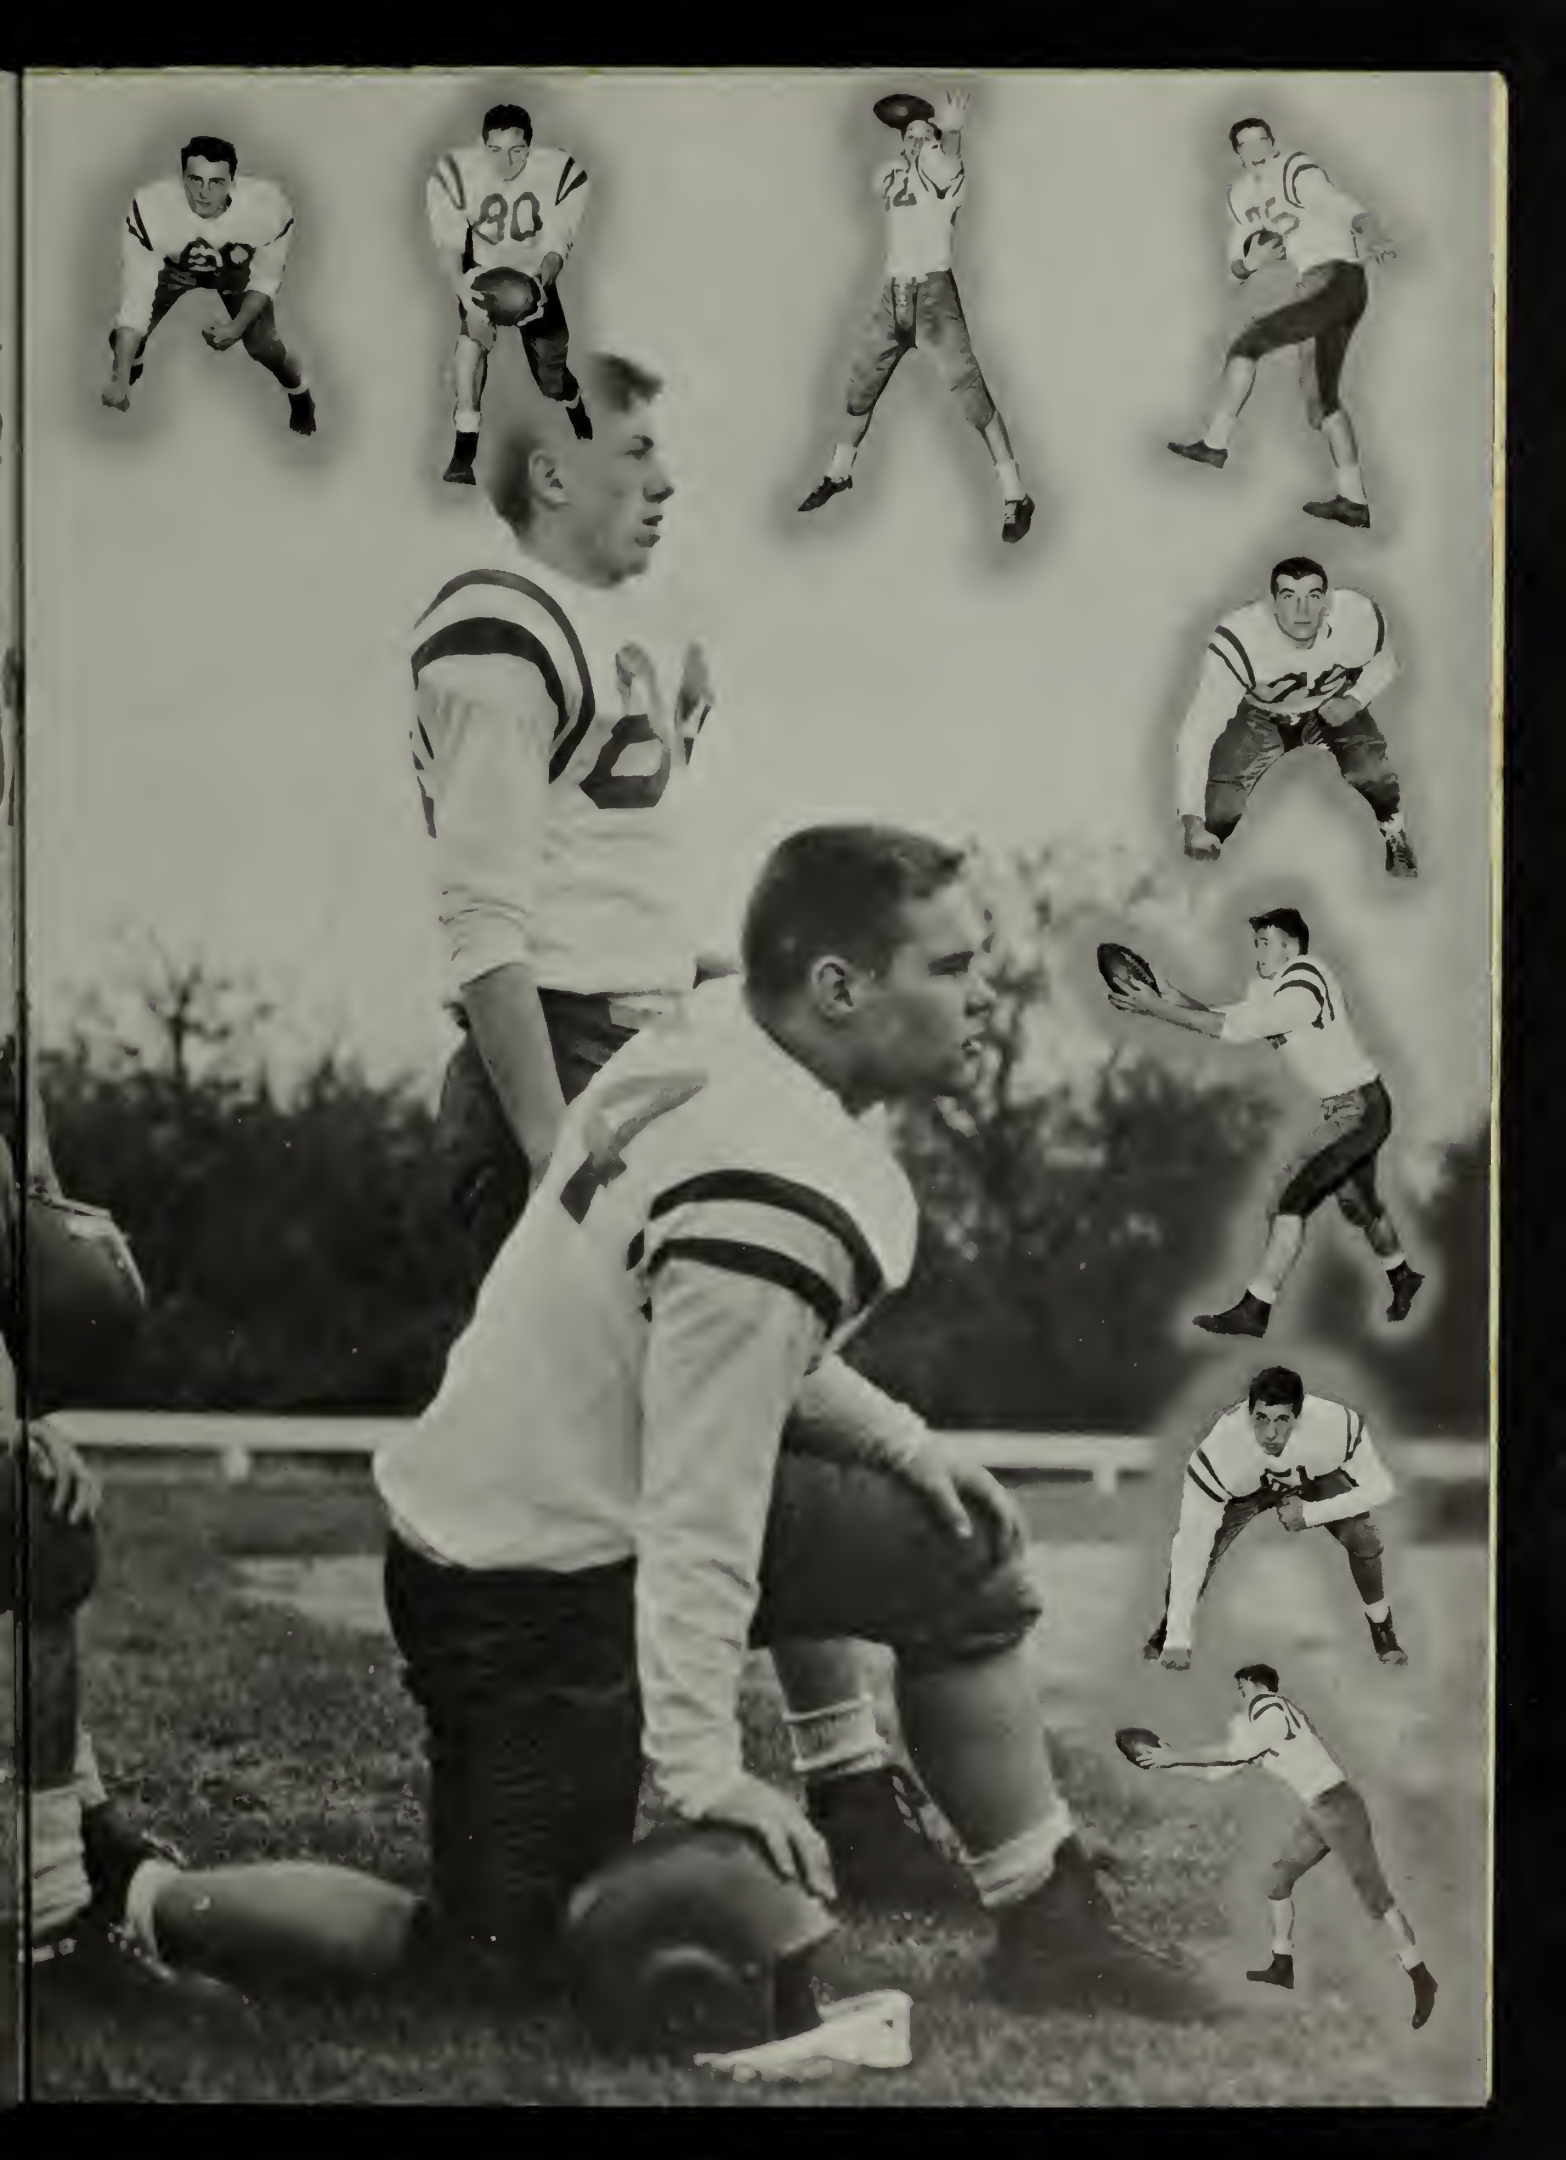

At the end of the season, Tom Prouty was chosen by the "Quincy Ledger" to be a member of the South Shore All-Scholastic Team.

Eric Turner, outside tackle, and Fred Dauphinee, wing-back, were elected co-captains of the 1958 football team. They worked with the coaches throughout the season, preparing the team for their Saturday encounters.

## Field Hockey Team

The field hockey team of 1958 had a very successful season under the direction of Mrs. Bauer. They were co-champs with Marshfield and Duxbury, losing only one game.

Linda Stewart and Susan Doherty were co-captains. Martha Hopkins and Sally Buckley were top scorers with fourteen points each; Susan Doherty was second with nine; and Linda Stewart was third with seven.

The Marshfield game was the most exciting of the season as this was the first time Scituate had beaten Marshfield for several years. Wayne MacAllister scored the only goal from forty feet out.

The J.V. lost the Marshfield game but won all the rest. The J.V.'s top scorer was Lois Greek with seven points.

## *Boys' Basketball*

Although the Sailors did not have an impressive season this year according to wins and losses, spirit was high, and excellent skill was exhibited many times throughout the season. The team won only the games with Duxbury, Avon, and the Alumni, but most of the other games were lost by just a few points.

Coach Lawrence Keenan and Captain William Stetson believe that next year looks very bright for the Sailors, as this year's team included many underclassmen who will return next season, fortified by their previous experience.

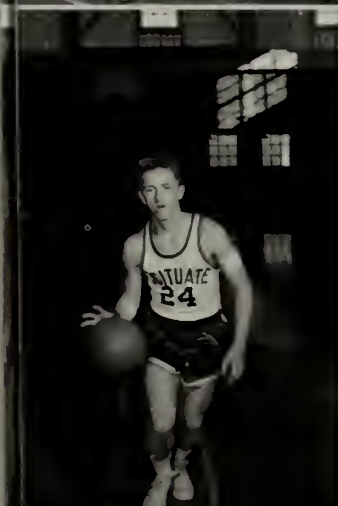

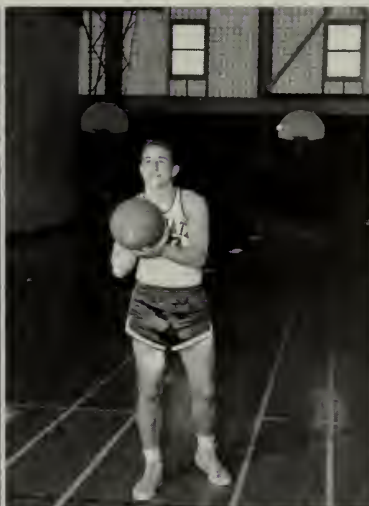

Congratulations to the Sailors for their consistent effort and good sportsmanship!

## *Girls'* *Basketball Team*

The whistle was blown, a basket was made and the 1959 girls' basketball team began their season. Although the team didn't win the championship, they should be proud of their fine record. They scored a total of 655 points to their opponents' 386, an average of 50 points to the opponents' 30 in each game.

Linda Stewart let the team in the scoring with 213 points. Sally Buckley and Susan Doherty were not far behind this excellent showing with 144 and 108 points each. The forwards did a magnificent job. The guards, Karen Mullen, Johanna Barrie and Geri Donaghue, deserve a great deal of recognition.

Credit for a successful season is given to the junior varsity also. They had many good players and next year will contribute materially to the varsity team.

The last whistle has been blown and the last basket made for the graduating seniors; but it is certain that no one will ever forget the wonderful coach, Mrs. Bauer, whose patience, confidence and sincere spirit helped them to win.

## Ice Hockey Team

In their second year, the Scituate High School ice hockey team became recognized as a formidable opponent. Their stinging defeat of the first place King Philip team this season showed a team not to be taken lightly. Under Coach Finnegan the hockey team displayed themselves as a very spirited and aggressive group. Led by captain Bruce Sunnerburg and all-star center Don Grip, the team played a fine season with an unprecedented number of fourteen hockey games. The goal tending by Senior Billy McKeever was outstanding. He was second goalie in the league, percentage-wise, for the number of saves he made out of the shots at him. During the season the underclassmen established themselves as a strong team for the future. If they continue to improve, the prospects look bright for Scituate.

## Wrestling Team

73 74

The wrestling team completed the past season with the record of 4 wins and 6 losses. Piloted by their new coach, Mr. Kidd, and their captain, Eric Turner, the team maintained a fine spirit throughout the season. As the 1958-1959 team included only two seniors, Eric Turner and David Durant, next year's squad should be one with experience under its belt. Captain Turner, who represented Scituate High School in the New England Interscholastics last year, went undefeated this year, thereby again establishing himself as an outstanding wrestler. Wrestling is becoming an increasingly popular sport at Scituate as was indicated by the many spectators who attended the home matches this year.

Matches were held during the season with Milton Academy, M.I.T. Frosh, Plymouth Academy, Roxbury Latin School, Brown and Nichols School, Wellesley High School, Needham High School, Belmont Hill, Rivers School. The team also participated in the New England Interscholastics.
